- **OR** choose something new to match your theme and send through an example picture to us to adapt and make suitable for beginners.

PARTY ACTIVITY IDEAS:

Musical Chairs painting - It's the same as a normal class except every 20min or so everyone has to get up and move to another painting. At the end of the class each person takes home the painting that they work on last.

(No extra charge for this activity)

Masking tape/ stencil painting - Fun for a ‘free paint’/ uninstructed session where the kid’s use a selection of tools, brushes, sponges, etc over stencils or masking tape to create their own masterpieces. Assistance will be provided to encourage trying a variety of different painting techniques.

NB Please note sourcing some of the materials takes time, please ensure you book your specific activity at least 2 weeks in advance. (- Examples of the crafts can be found in the same Facebook album as the paintings, the link can be found further down in this information.

TIMES & EXTRAS:

- The **2hrs** for the class includes a **15min** interval in the middle.
- **The class will begin 15min after your chosen time** (e.g. if 10am is the start time, the painting will begin at 10:15am, *please inform your guests of this*)
- We require +- an hour to set up before a class and for clearing up afterwards, please keep this in mind if booking a venue.
- Classes held in the studio can be up to **3hrs**.

Should you have any questions, please send these through to jhb@paintingwithgrapes.co.za.

We look forward to meeting you and helping you to create a fun kids party!
