TEAM BUILDING ACTIVITY IDEAS:

Musical Chairs painting - It's the same as a normal class except every 20min or so everyone has to get up and move to another painting. At the end of the class each person takes home the painting that they work on last.

(No extra charge for this activity)

Mural painting - Before the class all the canvases are put together and a sketch is done of an image over all the canvases, either a company logo or a nice picture that may relate to the company. Each person then paints their canvas which makes up a piece of the bigger picture. This is great to display in the office afterwards.

(Once-off design fee of R300.)

TIMES & EXTRAS:

- The **3hrs** for the class includes a **15min** interval in the middle.
- **The class will begin 15min after your chosen time** (e.g. if 6pm is the start time, the painting will begin at 6:15pm, *please inform your guests of this*)
- We require +/- an hour to set up before a class and for clearing up afterwards, please keep this in mind if booking a venue.

We look forward to helping you host your very own private painting party! Please contact jhb@paintingwithgrapes.co.za if you have any questions.

Create. Have fun.
